Section 10.02 Adoption of Zoning Map

The boundaries of the Zoning Districts listed in Section 10.01 are hereby established as shown on the Official Zoning Map of the Township of Williamstown. The Zoning Map with all notations, references, and other information shown thereon shall be, and is hereby declared to be a part of this Ordinance as if fully described herein.

In accordance with the provisions of this Ordinance and Michigan Public Act 110 of 2006, as amended, changes made in district boundaries and other matters portrayed on the Zoning Map shall be entered on the Zoning Map after the amendment has been approved by the Township Board and has been published in a newspaper of general circulation in the Township. No changes of any nature shall be made to the Zoning Map except in conformity with the procedures set forth in Article 29.00 of this Ordinance.

Regardless of the existence of copies of the Zoning Map which may, from time to time, be made or published, the official Zoning Map shall be located at the Township Hall and shall be the final authority with regard to the current zoning status of all land in the Township.

Section 10.03 Interpretation of District Boundaries

The following rules shall apply to the interpretation of zoning district boundaries:

- A. Boundaries indicated as approximately following the center lines of streets, roads, railroad rights-of-way, or alleys shall be construed to follow such center line.
- B. Boundaries indicated as approximately following platted lot lines shall be construed as following such lot lines.
- C. Boundaries indicated as approximately following Township limits shall be construed as following such limits.
- D. Boundaries indicated as approximately following the center lines of streams, rivers, or other bodies of water shall be construed to follow such center lines.
- E. Boundaries indicated as approximately following the shoreline of a body of water shall be construed to follow such shoreline; in the event of a change in the shoreline, the boundary shall be construed as moving with the actual shoreline.
- F. Boundaries indicated as parallel to or as an extension of features cited in paragraphs A through E above shall be construed as being parallel to or an extension of the features cited. Distances not specified on the official Zoning Map shall be determined using the scale on the map.
- G. Where there is any uncertainty, contradiction, or conflict concerning the intended location of zoning district boundaries, the Zoning Board of Appeals shall interpret the exact location of zoning district boundaries.
- H. Insofar as some or all of the various districts may be indicated on the zoning map by patterns that, for the sake of map clarity, do not cover public rights-of-way, it is intended that such district boundaries do extend to the center of the rights-of-way.

Section 10.04 Zoning of Vacated Areas

Whenever any street, alley, or other public way within the Township is vacated, such street, alley, or other public way shall be automatically be classified in the same Zoning District as the property to which it attaches, and shall be subject to the standards for said Zoning District.

Section 10.05 Zoning of Filled Land

Whenever any fill is permitted in any stream or other body of water, the land created automatically and without further governmental action becomes subject to the same zoning regulations that are applicable to the land to which the newly-created land attaches.

Section 10.06 -- District Requirements

Buildings and uses in any district shall be subject to all applicable standards and requirements set forth in this Zoning Ordinance, including but not limited to Article 28.00 -- Schedule of Regulations.
